

REMARKS

Pursuant to the Notice of Allowance dated February 17, 2011, claims 1-3 and 8-10 are allowed. Claim 8 has been cancelled, and claims 1, 9 and 10 have been amended, by the present amendment in order to correct an obvious inadvertently introduced typographical error and to remove superfluous and redundant claim language, thereby placing these claims in a better condition for allowance.

Support for this amendment is found within the originally filed claims and specification (See e.g., page 3, lines 5-8, page 4, lines 8-16, page 5, lines 7-14, page 6, lines 5-9, page 7, lines 18-31, Table 2, page 8, lines 5-11, Table 3). It is believed that this amendment has not resulted in the introduction of new matter.

It is also believed that this amendment merely rectifies formal matters with respect to an inadvertently introduced typographical error and removes superfluous and redundant claim language, and therefore neither changes the scope of the claim nor raises new issues for consideration with respect to the allowability of the claimed invention.

Accordingly, entry of the Amendment set forth herein is respectfully requested.

In conclusion, Applicants respectfully submit that the present application remains in condition for allowance.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,
